- All standard planning CT scans are included in the above fees.
- Fees for stereotactic radiation include fees for all participants, all radiological examinations, all planning, all therapy equipment and all radiation-related materials.

**EXPLANATION:**

- UPFS fees (2010) will be used for the billing of private, medical aid and foreign patients.
- 2014 fees have been increased by 5% to determine 2015 iThemba LABS fees.
- Academic hospitals charge UPFS fees for the billing of foreign patients and iThemba LABS will bill accordingly to maintain a flow of international patients.
